## GENERAL INFORMATION

The Master of Financial Management is a postgraduate qualification which provides potential corporate managers, business bankers, wealth advisors, and financial managers with the essential knowledge and analytical skills for making key financial decisions. The classes combine theoretical knowledge in Finance with practical insights delivered through case studies and guest lectures. Session building is encouraged through group projects and communication skills are enhanced through class presentations. The program equips students to think critically, communicate professionally, work collaboratively, make ethical and responsible business decisions, and work effectively in a global business context characterised by change and uncertainty.

## PROGRAM INFORMATION

Students may also use four of their electives to take a specialisation (4 Subjects) from the list below Big Data Specialisation

Digital Business Specialisation

Finance Specialisation

Health Management Specialisation

International Business Specialisation

Marketing Specialisation

Tourism & Hotel Management Specialisation

## SUBJECT INFORMATION

Students can choose 2 General Elective Subjects (20CP). General elective – A subject that may be chosen from any subject on offer across the University provided requisites, enrolment restrictions and any other faculty requirements have been met. \*Please note that the Professional Portfolio or Professional Development subject is a 20-week, 45-credit point subject and is taken in the last semester of the program once all other coursework subjects have been completed. The Career Development Centre will provide assistance in choosing the relevant professional subject prior to your last semester.
