GENERAL INFORMATION

The Master of Financial Management is a postgraduate qualification which provides potential corporate managers, business bankers, wealth advisors, and financial managers with the essential knowledge and analytical skills for making key financial decisions. The classes combine theoretical knowledge in Finance with practical insights delivered through case studies and guest lectures. Session building is encouraged through group projects and communication skills are enhanced through class presentations. The program equips students to think critically, communicate professionally, work collaboratively, make ethical and responsible business decisions, and work effectively in a global business context characterised by change and uncertainty.

PROGRAM INFORMATION

The program provides a degree of flexibility to specialise in Big Data, Health Management, International Business, Marketing and Hotel, Resort and Tourism Management.

SUBJECT INFORMATION

Students can choose 2 General Elective Subjects (20CP). General elective – A subject that may be chosen from any subject on offer across the University provided requisites, enrolment restrictions and any other faculty requirements have been met. *Please note that the Professional Portfolio or Professional Development subject is a 20-week, 45-credit point subject and is taken in the last semester of the program once all other coursework subjects have been completed. The Career Development Centre will provide assistance in choosing the relevant professional subject prior to your last semester.

Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.

Available	Code	Title	Assumed Knowledge	Requisite
You must complete the following required subjects:				
J/M/S	ACCT71-100	Accounting Principles
