GENERAL INFORMATION

The Master of Business Administration (Professional) is an extension of the MBA program with an additional 20-week Professional component. The Professional component is designed to introduce international students to work practices and work culture in Australia. The program is designed to provide graduates with the core underlying technical skills that inform effective decision making, framed around the development of the interpersonal, cross cultural and communication skills that are required to lead in the implementation of these decisions.

PROGRAM INFORMATION

Students will attend team sessions in the first semester. This is a 13 week program containing eight 5 cp Subjects

SUBJECT INFORMATION

Students can choose 4 General Electives or 1 Specialisation. General elective – A subject that may be chosen from any subject on offer across the University provided requisites, enrolment restrictions and any other faculty requirements have been met. *Please note that the Professional Portfolio or Professional Development subject is a 20-week, 45-credit point subject and is taken in the last semester of the program once all other coursework subjects have been completed. The Career Development Centre will provide assistance in choosing the relevant professional subject prior to your last semester.

Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.
