<b>PROGRAM INFORMATION</b>		
Master of Business students are provided with an opportunity to develop their planning, analytical and interpersonal skills that will enable them to professionally advance their career prospects in business. The program provides students with a foundation in a variety of business practices, plus the ability to gain a new specialisation. The program provides a degree of flexibility to specialise in Data Analytics, Finance, Health Management, International Business, Marketing and Hotel, Resort and Tourism Management.		
<b>SUBJECT INFORMATION</b>		
<b>ASSUMED KNOWLEDGE</b>		
Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.		
<b>OPPORTUNITIES</b>		
Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult with an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).
