

Core Mandatory Training Courses

Access Guide for clinical placement students

To access the new Core Mandatory Training course, clinical placement (CP) students need to click on the link below:

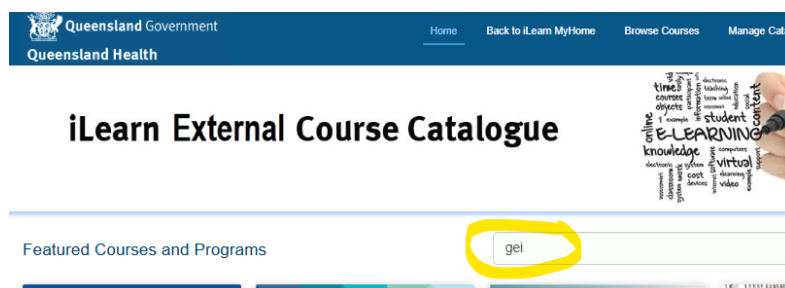

<https://ilearnexternal.health.qld.gov.au/>

1. Select the “Core Mandatory Training” tile

Once the core mandatory training tile is clicked, CP students can register to enrol in the relevant core mandatory training courses required to complete prior to their clinical placement.

To locate the General Evacuation Instructions (GEI) and First-Response and Evacuation Instructions (FREI) courses, type the relevant acronym into the search bar and click the magnifying glass.

Still having issues accessing the core mandatory training courses, email LeadershipCapability@health.qld.gov.au for assistance.
